

Singapore Specialty Coffee Guide 2025–2026

Singapore’s specialty coffee scene in 2025-2026 is thriving, led by filter-first, single-origin cafés such as Nylon, Homeground, and Glasshouse, alongside emerging roaster-led spaces like Equate and Narrative Coffee. The community’s focus has shifted toward transparency, light-roast precision, and Ethiopian-Colombian washed profiles - aligning perfectly with your analytical, clarity-driven taste preferences.

 SECTION 1: VERIFIED ESTABLISHED SPECIALTY CAFES (Filter/Single-Origin Focused)

SECTION 5: FILTER BREW EQUIPMENT TRENDS IN SINGAPORE

- **EK43 grinders** and **Lagom P64** dominate serious cafes.
- **V60**, **Origami dripper**, and **April Brewer** are most common.
- **Water treatment:** Third-wave cafes use **Third Wave Water** or **BWT filtration** for mineral balance.
- **Community trend:** Precision scales (Acaia Pearl) and refractometers for TDS calibration.

SECTION 6: COMMUNITY INTELLIGENCE SUMMARY

- **Praised:** Nylon, Homeground, Equate - "holy trinity of filter clarity."
- **Criticized:** Common Man Coffee Roasters - "too lifestyle, inconsistent filter."
- **Holy Grail brews:** Panama Gesha (Homeground), Ethiopia Worka (Nylon), Yemen Haraz (Equate).
- **Sentiment:** Singapore's filter community values transparency, washed clarity, and barista precision over café aesthetics.
