EVIDENCE APPENDIX - CLASS A AND B

Nylon Coffee Roasters

EVIDENCE_SPECIALTY: "This quaint cafe delights visitors with a singular focus on outstanding coffee — no teas, pastries, or distractions, just expertly crafted brews." — novacircle.com — NO URL

EVIDENCE_POUROVER: "go here when you crave that lighter roasted, Nordic style of coffee prepared either using Aeropress or V60." — Anders Husa — NO URL

EVIDENCE_SINGLE_ORIGIN: "Known for its house-roasted, single-origin beans and bean-to-cup craft." — novacircle.com — NO URL

CHAMPIONSHIP: NO EVIDENCE FOUND

CLASS_REASON: Coffee-first with pour-over as major offering, no food, single-origin confirmed, fits Class A.

Apartment Coffee

EVIDENCE_SPECIALTY: "It is well-known among coffee lovers for its calming, minimalist interior and a menu of predominantly pour-over coffees made from single-origin beans from Ethiopia, Brazil, Rwanda, and Costa Rica." — CNA Lifestyle — NO URL

EVIDENCE_POUROVER: "Focusing only on drinks, the menu is predominantly pour-over coffee using single origin beans from Luis Anibal, Costa Rica, Rwanda and Kenya." — DanielFoodDiary — NO URL

EVIDENCE_SINGLE_ORIGIN: "predominantly pour-over coffees made from single-origin beans from Ethiopia, Brazil, Rwanda, and Costa Rica." — CNA Lifestyle — NO URL

CHAMPIONSHIP: Yeo Qing He, 2018 Singapore Brewers Cup Champion — CNA Lifestyle

CLASS_REASON: Predominantly pour-over, drinks-only focus, single-origin confirmed, fits Class A.

Tiong Hoe Specialty Coffee

EVIDENCE_SPECIALTY: "Tiong Hoe Specialty Coffee at Balmoral Plaza is a pioneer in the Singaporean coffee industry, offering first-grade specialty coffees that are freshly roasted in-store." — Wanderlog — NO URL

EVIDENCE_POUROVER: "serve handcrafted coffee, cold brews, V60 pour and more." — Burpple — NO URL

EVIDENCE_SINGLE_ORIGIN: "ask for any brew from the rotational range of single origin coffee beans roasted, ground and brewed in-house." — bsworldnews.com — NO URL

CHAMPIONSHIP: NO EVIDENCE FOUND

CLASS_REASON: Coffee-first roastery with V60 pour-over and rotational single origins, minimal food, fits Class A.

Alchemist Coffee (Robinson)

EVIDENCE_SPECIALTY: "Filter coffees are another Alchemist specialty, with the roasts rotating seasonally." — Eatbook.sg — NO URL

EVIDENCE_POUROVER: "Their pour-overs start from \$6." — Eatbook.sg — NO URL

EVIDENCE_SINGLE_ORIGIN: "Shop Coffee Beans, Single Origin & Signatures – Alchemist ... - Ethiopia" — alchemist.global — NO URL

CHAMPIONSHIP: NO EVIDENCE FOUND

CLASS_REASON: Strong specialty with pour-over and single-origin, but pastries offered, fits Class B.

REJECTED CAFES

| Name | Address (if known) | Rejection Reason |

| Five Oars Coffee Roasters | ADDRESS_UNKNOWN | No verifiable pour-over/single-origin evidence |

| Maxi Coffee Bar | ADDRESS_UNKNOWN | Fails pour-over criterion based on available sources |

ITERATIONS_TO_STOP: 5

TOTAL_EVALUATED: 9

TOTAL_ACCEPTED_ABC: 7

FINAL SELF-AUDIT

[] Did I state my ACCESS_STATEMENT honestly at the top?

[] Did I avoid inventing any Google ratings or review counts?

[] Did I mark every unsourced competition claim as UNVERIFIED_RECALL?

[] Did I include rejected cafés, not just accepted ones?

[] Did I avoid padding the list past where my evidence ran out?

[] Is every address either real or explicitly marked ADDRESS_UNKNOWN?
